

An Invitation

In 2009, Sri Swami Satyananda gave the mandate to establish Sannyasa Peeth in Munger. He also blessed Sannyasa Peeth with the instruction to conduct the Sri Lakshmi-Narayana Mahayajna from 8 to 12 September every year. These are special dates. 8 September is the birthday of our Paramguru Sri Swami Sivananda Saraswati, and 12 September is the sannyasa day of our guru Sri Swami Satyananda Saraswati. Sri Lakshmi-Narayana Mahayajna begins on Swami Sivananda's birthday and concludes on Swami Satyananda's sannyasa day. The entire yajna is permeated with guru's grace, energy and love.

In 2011, Swami Niranjanananda conducted the first Sri Lakshmi-Narayana Mahayajna. It was a simple, small-scale and intimate event, dedicated to two sannyasins of the highest calibre who lived sannyasa with complete commitment and dedication. Through the yajna the grace of Sri Lakshmi and Sri Narayana is invoked to bestow their blessings in the form of peace and contentment in life.

The blessings of Lakshmi are prosperity in the form of material, mental, emotional and spiritual wealth, but most importantly, she is the goddess of contentment that is the true wealth in everyone's life. To attain the state of contentment is to follow the path of Lakshmi. Narayana is the force that sustains life and brings peace. When you live your dharma, fulfil your obligations and live in a positive, constructive and creative manner you follow the path of Narayana. This leads to the attainment of peace.

The Sri Lakshmi-Narayana Mahayajna has become an annual event in which aspirants from all over India and across the globe participate in aradhana, havan, mantra path and sahasrarchan. It is now the hallmark of Sannyasa Peeth, through which the sankalpa of Swami Satyananda for peace, plenty and prosperity pervades the entire atmosphere and blesses the lives of one and all.
